Dear Sir:

I have your letter of February 27th, and take pleasure in enclosing a list of our publications. These Numismatic Notes & Monographs are issued from time throughout each year, as you will realize by glancing through our list of titles.

If you would care to make application for membership in our Society, I should be glad to have you fill out the enclosed card and return to me at your early convenience, and I will see that your name is placed before our Council at its next meeting.

The dues for membership are five dollars annually. This would entitle you to receive all of our monographs as published during the year.

Trusting we may hear from you further,

Very truly yours,
